

THE COMMUNITY FOR LEARNING

November 2009

PRE-K NEWS

Eating and Growing!

We successfully finished our first theme "This Is Me!", and already started "Eating and Growing". To introduce the theme, we brainstormed to realize what we all need to grow. We recognized the importance of food for our growth and we are currently learning about eating healthy and how junk food may affect us. Now, where do we get healthy food from? How does it help our body? Can't we EVER eat junk food? Those are a few of the questions we want to answer by the end of this theme. We are planning on having a Chef Day and also a field trip to a restaurant!!

Special Dates

November

09 - Dia de la Constitucion (no classes)

10 - Teacher Rocio's Birthday

26 - Field trip to restaurant.

Special News

We are planning on having our **family field trip** on the first Saturday of December! (Dec. 5th) We are going to **Rancho Baiguete** with the help of Axel's mom, Lynette (from teacher Glenys' Pre-K) This is a really important day for all of us and it will be a great opportunity to get to know each other and create a strong bonding. Soon we will be sending all the details.
