Friday, Oct 30
Character dress-up day

Monday, Nov 9
Holiday – Día de la Constitucion

Friday, Nov 27
End of the first trimester

Parent Association

The Parent Association would like to thank all the parents who have volunteered to work as classroom delegates. Delegates will be helping to communicate with parents about classroom activities, and/or any emergencies that may come up (such as hurricane closings). They will also be helping the teacher find resources that may help the class in their studies.

Several committees are being formed by the Parent Association in order to make the work more manageable. If you are interested in helping in any of these committees please come to the meeting on October 8th at 7:45. The following committees are being formed:

- Educational Workshops Committee (to organize talks and seminars for parents and students).
- School Transportation Committee (carpooling, supervising the entrance and exit of students from the school grounds)
- Social Work Committee (to help with charity work)
- Family Fun Day Committee (to organize Family Fun Day)

All parents are welcome. The Parent Association thanks you in advance for your collaboration.

Student Pick Up and Drop Off

We would like to thank the parents who are helping with the flow of traffic in the afternoons. They ask that we remind parents of some points:

-Please take your place in line. Other parents become upset when people try to jump the line-up. Let's set an example for our kids.

-If you are waiting for the secondary dismissal at 2:30 please put on your emergency flashers to signal to elementary parents that they may pass you.

-If your child is not ready at dismissal please do not park and wait for him or her. Move on and redo the line-up. Speak to your child about promptly coming to the dismissal area and waiting for you.

-In the mornings please ask your children to quickly get out of the cars on their own. Benecio should have to open doors **only** for Pre-S school children.

Thank you for your cooperation!!

"Individually we are one drop. Together we are an ocean." Rvunosuke Satoro
