Model U.N.

Eleven TCFL students (grades 10 – 12) took part in the Model U.N. in Bavaro this weekend as delegates for Canada. Rosanna (Sociales teacher) and Lincoln (history teacher) worked with the students since the beginning of the school year to prepare for this event. We are extremely proud of our students. They were able to recognize fallacies in other position papers, argued logically, showed strong critical thinking skills and worked seriously in every event.
