Happy New Year!!

Welcome back! It’s always wonderful to see everyone’s faces again after the holidays. We hope you all had a relaxing vacation with your families and we wish you a year of peace, prosperity and good health!

Registration for 2010 – 2011 school year.

Parents, please remember that registration fees for the 2011 – 2012 school year are due on Wednesday, January 19th. Paying your registration fee reserves your child’s space for the upcoming school year. After the registration date we will begin filling any open spaces with students from our waiting list. In order to register a student for the next school year, all payments must be up to date. If you have any questions or concerns please contact Lynn Snuffer at the school.

Keeping Your Children Safe

Although Facebook is for children 13 years and older, many, many younger children open accounts and are actively involved in social networking. What are the dangers? How can parents protect their children?

Some of the ways that children are at risk on Facebook:
1) Giving out information that may allow strangers to locate them
2) Cyberbullying
3) Damage to their reputation because of their own behavior
4) Lack of balance – too much time spent on Facebook and not enough on homework, etc.

An online guidebook is available to help parents understand the pros and cons of Facebook. For more information click on the following link: http://www.connectsafely.org/Safety-Advice-Articles/facebook-for-parents.html
